Canada is the envy of the world when it comes to the shadowy nature of controlling money and threat of foreign influence in politics

OpenSecrets.org has revealed *fundraising data* provided by *American subsidiaries of Canadian companies*: The U.S. Supremely-flawed Court allows a relatively new type of committee, officially known as **Super Political Action Committees**, or **Super PACs** - technically referred to as “*independent-expenditure only committees*” - to underhandedly solicit *political campaign contributions* from *foreign lobbyists*, which are spending unlimited sums to covertly advocate for-or-against candidates by donating funds to campaigns, ballot initiatives, or legislation. (PACs are set up and run by corporations, labour unions, membership organizations and/or trade associations.)

Super PACs may not make contributions to candidate campaigns or parties, but may engage in *unlimited political spending* independently of the campaigns. Unlike traditional PACs, these *scandalous organizations* - often with diversified interests - raise funds from individuals, corporations, unions, and other groups... without any legal limit on donation size. *Dark money groups* spend millions to support or defeat political candidates, thus shaping elections without revealing where their money comes from.

Before 2010, *corporations* and *unions* were prohibited from independently spending money to influence U.S. federal elections. Regular political action committees can only accept contributions of up to \$5000 from individuals, and they can’t take money from groups. But they can donate a limited amount of money directly to candidates.

Although, we didn’t have PACs or the like for decades, subsidiaries of some of Canada’s biggest companies have recently started to be created in Canada. The first big entry on the national stage was **Engage Canada**, a team of left-leaning strategists and ex-staffers for the New Democratic (NDP) and Liberal parties. Playing “ye Satan,” they ran their **first ad** accusing the *Harper government* of exacerbating income inequality by *aiding the rich*, and *cutting programs that aid the poor*. (The founding of Engage Canada was in direct retaliation for two other Super PACs that have sprung up in the last years—**Working Canadians** and **Conservative Voice**.)

“Pay no attention to that man behind the curtain.”

.

The curtain hath been pulled back exposing the *usurious international Khazarian-Viennese bankster-mafia* and its *Zevian-Frankist Thuggee cult's* plan to eradicate the White Europic race by infiltrating our melakha-bitch-parliament to symbiotically “*body-snatch*” and “*pod*”:

Author’s Note

.
.
.
.

When the an anti-Zionist “*The Protocols of the Elders of Zion*” pamphlet was published in Russia at the end of the 19th century, **Freemasons** and **Zionist Jews** everywhere screamed and complained that these **24 Protocols** are *a hoax, a forgery, even a blood taint against the Jews...*

The Protocols of the Elders of Zion is the most notorious and widely distributed anti-Semitic publication of modern times. Its lies about Jews, which have been repeatedly discredited, continue to circulate today, especially on the internet. The individuals and groups who have used the Protocols are all linked by a common purpose: to spread hatred of Jews.

.
.
.

But thence came the **brutal and barbaric Communist Bolshevik Revolution** in Russia and its captive republics, led by **covert Masonic crypto-Jew revolutionaries—Lenin, Trotsky, Kaganovich, et al.** And these **cruel and sinister criminals** seemed to have jumped off the pages of the Protocols! The **Red Terror**, with its **torturous massacres** of innocent people, its **monstrous gulag concentration camps**, and the setting up of a **Herzlian dictatorship, also** - following the very same disputed agenda of the Protocols - persecuting Christians and churches everywhere (cf. the **ruthless genocide of millions of Armenians by the Jewish-Masonic Young Turks of the Ottoman Empire (1915-17)**)).

The entire world witnessed horrors that were unquestionably a direct result of the heinous prescriptions laid out earlier in the Protocols. To this day, almost a century later, the sweep of history has proven the Protocols to be genuine, authentic, and a real-life rendering of the most tragic events that have bedeviled mankind. One nation after another has suffered, and now these *illuminated psychopaths* have targeted Western Europe for a **Kalergian Holocaust**.

The Protocols continue to ring true and sound the alarm. If we close our eyes and ears and fail to heed this alarm, we will surely find ourselves in great peril. Our very survival depends on our unmasking the agenda set forth in the Protocols of the Zionist and the Technocratic Dark Order elite's tyrannical "Big Brother" 5G Hive-Mind New World Order Police State.

Therefore, a lot of **money*** (viz. “power/energy”) was retracted from common knowledge in order to prevent *us* **freeborn natural-living persons** from learning about its evil - *oi!* it is beyond imagination!

It hath been exceedingly difficult to seek out the *dark truth* revealing these *secretive Illuminist supremacists*... so, *reader*, please patiently excuse any minor inaccuracies or errors - these be unintentional: (*I paraphrase*). In 1961, **Benjamin H. Freedman**, noted authority on Zionism and all of its schemes, broke with organized Jewry after the 1945 Judeo-Communist victory, and spoke before a patriotic audience at the Willard Hotel, Washington, DC, on behalf of *Conde McGinley's patriotic anti-communist semi-monthly newspaper "Common Sense"* (founded in 1947).^{5f}

Mike Harris connected the dots and made the actual discovery of the presence of the *secret blood oath* to take *revenge on Russia* for helping Americans win the evolutionary War (1754-81) and the Civil War (1861-65) and (((*their*))) *blood oath of revenge against America* for winning these wars and sustaining the Union. Now, on Monday, 1 December 2014, last day of the *Syrian Conference Combating Terrorism And Religious Extremism*, keynote address speaker *Gordon Duff*, senior editor and director of *Veterans Today*, disclosed publicly *for the first time ever* that *world terrorism* is largely due to an *international organized crime syndicate* associated with the *infernal terrorist-state of Israel*.

The three principal organizations of the **Israeli Secret Intelligence Service (ISIS)** are: **Aman** (*military intelligence*), **Mossad** (*foreign intelligence service*), and **Shin Bet** and its special operations unit, **Yamas**.

The **Mossad** (), short for **HaMossad leModi'in uleTafkidim Meyuhadim** (), is the **national intelligence agency of Israel**. It is one of the main entities in the **Israeli Intelligence Community**, along with **Aman** (*military intelligence*) and **Shin Bet** (*internal security*). Mossad is responsible for **intelligence collection**, **covert operations**, and **counterterrorism**, as well as bringing Jews to Israel from countries where official Aliyah agencies are forbidden, and protecting Jewish communities. Its director reports directly to the Prime Minister [of Israel]. It has a staff of 7000 personnel (1996 estimate). Its special forces and field-reconnaissance unit is **Sayeret Matkal**. **Sherut haBitachon haKlali** (Hebrew: General Security Service), better known by the acronym **Shabak** (:), in English as the **Israel Security Agency (ISA)** or the **Shin Bet** (*a two-letter Hebrew abbreviation of the name*), is Israel’s internal security service: Its motto is “Magen VeLo Yera’e” (Hebrew: מגן ולא יראה, lit. “Defender that shall not be seen” or “The unseen shield”).

Operation Gladio is the *codename* for *clandestine “stay-behind” operations* of armed resistance that was planned by the **Western Union (WU)**, and *subsequently* by the *North Atlantic Treaty Organization* (NATO), for *a potential Warsaw Pact invasion* and *conquest in Europe*. Although *Gladio* specifically refers to the **Italian branch of the NATO** stay-behind organizations, *“Operation Gladio”* is used as an informal name for all of them. *Stay-behind operations were prepared in many NATO member countries, and some neutral countries*. The role of the **Central Intelligence Agency (CIA)** in Gladio and the extent of its activities during the *Cold War era*... and any relationship to terrorist attacks perpetrated in Italy during the *“Years of Lead”* (*late-1960s to early-1980s*) are the subject of debate: **Switzerland** and **Belgium** have had parliamentary inquiries into the matter. The word *gladio* is the Italian form of *gladius*, a type of Roman shortsword.

Khazarian warlords, important allies of the *Byzantine Empire*, ruled the lower Volga basin steppes between the Caspian and Black Seas through to the 8th century. They were neither *Muslim* or *Jew*, nor *Christian*, but were *sodomite pagans* who had developed into a nation ruled by an evil king. This *ancient Babylonian black magick cult* oligarch and his *blood-thirsty court* were known and feared by surrounding countries as murderous thieves and road bandits, and for assuming the identities of those travelers they murdered - as a normal occupational practice and way of life.

The Khazarians converted from *pagan barbarity* to **Talmudic Judaism** after the 8th century, but, *of course*, **racially they are and will always be Khazars** - a genome that is mainly of *Turkish and Mongolian blood*. In late 2012, yet another Israeli-born scientist, **Dr. Eran Elhaik**, of the *McKusick-Nathans Institute of Genetic Science, Johns Hopkins Medical University*, published his research in *The Journal of Biology and Evolution*:

“There are no blood or family connections among the Jews. The various groups of Jews in the world today do not share a common genetic origin. Their genome is largely Khazar. Whatever Israelite blood the Khazar Jews have is miniscule.”

The earliest history of the Khazars in southern Russia, prior to the middle of the 6th century, is hidden in obscurity. From about 550 to 630, the Khazars were part of the **Western Turkish Empire**, ruled by the **Celestial Blue Turks (Kök Turks)**. When the Western Turkish Empire was broken up as a result of civil wars in the middle of the 7th century, the Khazars successfully asserted their independence. *The **Kök khaganate** - under which they had lived - provided the Khazars with their system of government: For example, the Khazars followed the same guidelines as the Kök Turks regarding the succession of kings.*

The Tale of Bygone Years (Old East Slavic:, *Pověstĭ Vremēnīnyhŭ Lētŭ*) or *Primary Chronicle* is *a history of Kievan Rus'* - a Varangian tribe likened by the chronicler to Danes, Swedes, Angles, and Gotlanders - from *about* 850 to 1110 CE, originally compiled in Kiev, c. 1113. The work is considered to be a fundamental source in the interpretation of the history of the Eastern Slavs.

.

.

.

.

.

.

.

.

According to the *earliest Russian chronicle*,

a Varangian named **Rurik** was elected ruler (*knyaz*) of Novgorod, c. 860 CE.

.

.

.

.

The **Rurik dynasty** (or *Rurikids*) went on to rule the **Kievan Rus'** and, *ultimately*, the **Tsardom of Russia**, until 1598 - and numerous noble Russian and Ruthenian families claim a male-line descent from Rurik.

.

.

.

.

Before his successors moved south and extended their authority to Kiev, which had been previously dominated by the Khazars, Oleg, Igor *son of Rurik* and Sviatoslav *son of Igor* subsequently subdued all local East Slavic tribes to Kievan rule, destroyed the Khazar khaganate and launched several military expeditions to Byzantium and Persia. Thus, the first East Slavic state, Rus', emerged in the 9th century along the Dnieper River valley. A coordinated group of princely states with a common interest in maintaining trade along the river routes, Kievan Rus' controlled the trade route for furs, wax, and slaves between Scandinavia and the Byzantine Empire along the Volkhov and Dnieper Rivers.

Iconoclasm

.

.

.

.

.

.

.

.

.

The 8th and early-9th centuries were *also* dominated by controversy and religious division over *iconoclasm*, which was the *main political issue in the Byzantine Empire for over a century*. **Icons** (*here meaning all forms of religious imagery*) were banned by *Leo* and *Constantine* from around 730, leading to *revolts by iconodules* (*supporters of icons*) throughout the empire. After the efforts of empress Irene, the **Second Council of Nicaea**

met in 787 and affirmed *that “icons could be venerated but not worshiped.”* And so, soon after his accession, **Leo V** began to discuss the possibility of reviving iconoclasm with a variety of people - including priests, monks, and members of the senate. He is reported to have remarked to a group of advisors *that*:

“All the emperors, who took up images and venerated them, met their death either in revolt or in war; but those who did not venerate images all died a natural death, remained in power until they died, and were then laid to rest with all honors in the imperial mausoleum in the Church of the Holy Apostles.”

In the early-9th century, with the iconodule policy of his predecessors associated with defeats at the hands of *Bulgarians* and *Arabs*, **Emperor Leo V the Arminian** reintroduced *a policy of iconoclasm* after *deposing patriarch Nikephoros* and convoking *a synod at Constantinople* in 815. Leo next appointed a “commission” of monks “to look into the old books” and reach a decision on the veneration of images: They soon discovered the acts of the *Iconoclastic Synod of 754*. More-so, the Emperor used his *rather* moderate iconoclast policy to seize the properties of iconodules and monasteries, such as the rich *Stoudios Monastery*, whose influential iconodule abbot, *Theodore the Studite*, he exiled. But, in 843, **Empress Theodora** spouse of Byzantine emperor Theophilus restored the *veneration of icons* with the help of *Patriarch Methodios*.

Iconoclasm played a part in the further alienation of East from West, which worsened during the four-year (863–867) *so-called Photian schism* between the *episcopal sees of Rome and Constantinople*, when **Pope Nicholas I** challenged the elevation of **Photios I** - recognized in the **Eastern Orthodox Church** as **St. Photios the Great** - to the patriarchate.

Photios I (Greek: *Phōtios*), (c. 810/820 – 6 February 893), also spelled *Photius* or *Fotios*, was the *Ecumenical Patriarch of Constantinople* from 858 to 867 and from 877 to 886. He is recognized in the Eastern Orthodox Church as *St. Photios the Great*.
Photios is widely regarded as the most powerful and influential church leader of Constantinople subsequent to John Chrysostom’s archbishopric around the turn of the fifth century. He is *also* viewed as the most important intellectual of his time – “*the leading light of the ninth-century renaissance*” – and a central figure in both the *conversion of the Slavs to Christianity* and the *Photian schism*.

Khazar conversion to Babylonian Talmudic Judaism

On-or-about 800 CE, after aeons of complaints by their peasant peoples, Russia and other leaders of surrounding nations delivered an ultimatum to **Khazar King Bulan Sabriel** - a communiqué that “he must choose one of the three of Abrahamic religions for his people - and make it his official State religion - and require all Khazarians children to socialize and practice that faith.”

Their deep dark secret was that all of their occult ceremonies were based on ancient Baal-worship: (*Now known as **Bohemian Grove owl worship***). in order to fool the Confederacy of Nations led by Russia that were watching Khazaria, the Khazarian King melded these **Luciferian black magic practices** with **Judaism**... and created **a secret satanic hybrid religion** known as **Babylonian Talmudism**. This was made the national religion of Khazarea and nurtured the same evil that the Khazarians were known for before...

Sadly, the Khazarians continued robbing and murdering those from surrounding countries who traveled through Khazarea - and robbers continued to assume their victim’s identities after these had been murdered. They quick became **masters of disguises and false identities** - a practice they have continued even to this very day, along with **ancient Baal-worship occult child sacrifice ceremonies**.

Spirit Cooking is without a doubt satanic... and certainly not normal by any societal standards. Yet, those who pledged over \$10,000 in support of the **Marina Abramović Institute** were invited to a “**Spirit Cooking with Marina Abramović**” event. Abramović has oft invited *both John “Skippy” Podesta* (*Hillary Clinton’s campaign chairman editor of the Washington Post*) and his brother Tony (*an influential Democratic lobbyist*) - both suspect in the **disappearance of Madeleine McCain** (*of relevance to world-wide child sexual slavery by the Vatican, European Royals and other psychotic technocrats and Hollywood-elite groupies; Tavistockian MK-Ultra brainwashing/mind control, the CIA Operation Paperclip Aktion T4 eugenic sterilization initiative for world population decrease through fluoridation, vaccinations, abortion and euthanasia* - racial hygiene as endorsed by the likes of **Bill Gates et al.**; as well as in breeding conflict through **economic deprivation** and Kalgarian **Third World mass-immigration** into Western Civilization, and, in general, the promotion of **leftist commie ideology** endorsing **conformism to sodomy**... all to the detriment of the tradition family).

New Age witch Marina Abramović’s *Satanic “Spirit Cooking” Rituals*, oftimes - to create the *illusion of respectability* - staged at any number of museums around the world (since the ‘90s). Under the *pretext of painting graffiti* with *menstrual blood, semen and breast milk, etc...* - and writing phrases on the walls of museums, *sech as*: “Fresh morning urine sprinkle over nightmare dreams” - or, “with a sharp knife cut deeply into the middle finger of your left hand eat the pain”). “*Spirit Cooking with Essential Aphrodisiac Recipes*” was released by Abramović in 1996 - “ingredients” call for “*fresh breast milk with fresh sperm milk*” to be consumed “on earthquake nights.” Another recipe calls for “**fresh morning urine...**”

Finally, *at last*, in 1200 CE, Russia and the surrounding nations, having had enough and, *once again*, took bold and decisive action: And the *Kievan Rus'* led their Hungarian neighbours against Khazarea and invaded it - in order to stop the Khazarian crimes against their people, which included kidnapping of their young children and infants for their blood sacrifice ceremonies.

But the Khazarian King and his inner court of murderous criminals had a *well-developed spy network* through which they obtained prior warning and escaped into European nations to the West, taking their vast fortunes with them - in gold and silver. Despite the loss of their nation, the Khazar people did not disappear: They laid low and regrouped, outwardly assuming new identities, adapting Germano-Slavic words to their Hebrew dialect - *thus*, inventing a *nuevo lingua franca* called *Yiddish* - a language full of *Kabbalahaic symbolism* and hereditary, culturally Bohemian *sex-and-death-cult* rituals - *a language of international commerce and trade* .

Both **Abdul Wahhab**, and his sponsor, **ibn Saud**, whom founded the Saudi dynasty, were of ***Jewish origin*** - sired by a lying phony-Jew cereal merchant from Basra, called ***Mordakhai bin Ibrahim Bin Moshe'***, which pretended to be a ***Bedouin***. As Solomon had, this **Fake Jew-Arab** practiced ***polygamy*** with Arab women on a wide scale and begot many children whom he gave pure Arab names. His descendants grew in number and power under the name of the **Saudi Clan** - and they have followed his steps in practicing ***underground activities*** and ***conspiracies*** against the Arab Nation. [As Israel is now doing to the poor Palestinian peoples of the Gaza Strip and Golan Heights, they illegally seized rural sectors and farm lands and assassinated every person who tried to oppose their evil plans.

Note: It is a thinly-veiled secret ignored by Zio-media that White farmers and their Black farm workers are subjected to violent crimes, including murder, rape, assault, robbery and arson (i.e. thereby supporting and encouraging “*farm murders*”). And, as did Abram, Isaac and Jacob, they used every kind of deceit for reaching their goals, including threats and bribery, even offering their women and money to influential people... and bribe writers, printers, book sellers and librarians, and reporters to falsify history: (Cf. Larry Page and Sergy Brin of Alphabet Inc. - Google and YouTube, and Mark Zuckerberg of Facebook).]

From the early-12th century *money-changing and coinage privileges* were often combined with *money-lending* as *a special form of banking*, and Jews were frequently the sole agents arranging *loans*. In **France**, money-lending was an important Jewish business, but in the 13th century Jewish lenders came up against the superior competition of the **Lombards** - *a rivalry even more intense in the Netherlands*: (The first recorded appearance of Jewish and Lombardian money exchangers arrive in *Switzerland* from around Europe).

In **England**, where *Aaron of Lincoln and *Aaron of York were powerful bankers, a special **Exchequer of the Jews* was set up to centralize Jewish transactions. However, the *Romanesque Black Nobility* began to rely on the greater resources of the *Cahorsins* and *Italian bankers* - until, in 1290, the Jews were expelled. In **Italy**, Jewish bankers could expand their sphere of activity under the *silent protection of the popes*, despite resistance on the part of the *Christian burghers*. From the second half of the 13th century, they spread throughout central Italy and *gradually* expanded toward the north [].

On tomb of Jakob Fugger in Augsburg.

A cunning sort, ubiquitous Converso **Jakob Fugger** managed to enter the town's elite patrician class by marrying the daughter of a prestigious guild master - and, after she died, married Elizabeth Glatteman - their three sons grew the family business into a local trading powerhouse: First lending money to landowners, then buying up mines in the Tyrol, providing for the **Holy Roman Emperor** and his entourage injected a great amount of cash into the family coffers. Then, in order to finance *the rebuilding of St Paul's*, Fugger was given the job by the Pope, of managing the sale of *indulgences* (viz. "get out of hell free insurance"). **Dominican Friar Johann Tetzel**, was sent across the German lands under Fugger guard, selling *a vision of Hell* designed to have folks digging in their coin purses in haste to avoid it.

The **Fuggeri** started making so much money that they could afford to lend it out at a rate of interest - *probably* their best idea yet. In the lands they obtained (and were granted noble control over) they erected churches, funded great buildings and even engaged in early corporate public relations (i.e. *lobbying*).

The company founded almost three hundred years before was dissolved, finally, in 1607. The Fuggers family was now split into three branches, all of who persist to the present day and who are all very, very wealthy. The Fuggers were a significant force in European politics for over three centuries and were the inspiration for many of the mega-corporations that would help build the world we live in today.

In 1387 *Bishop Adhémar Fabri* O.P. of Genève (died 8 Oct. 1388) allowed *Genèvan bankers* to charge *interest on loans*: (*The Genève trade fairs - an important part of the medieval European commercial scene in the 15th century - attracted foreign merchants and financiers to the city, who soon spread to Basel.*

The **Basel Committee on Banking Supervision (BCBS)** established by the central bank governors of the **Group of Ten** countries in 1974 is the primary global standard setter for the **prudential regulation of banks** and provides a forum for regular cooperation on banking supervisory matters. Established in 1930, the **Bank for International Settlements (BIS)** is owned by 60 central banks, representing countries from around the world that together account for about 95% of world GDP - its head office is in Basel, Switzerland and it has two representative offices: in Hong Kong SAR and in Mexico City
